~~**Note on plagiarism:** Students are expected to submit original work for all assignments. Plagiarism will not be tolerated and will result in an automatic F in the course.~~

In the spirit of early modern freethinking, the so-called “Note on plagiarism” for this class has been questioned and revised.

The new policy note reads, thus: Students are expected to submit their own work for all assignments, following guideline documents. Undocumented plagiarism will not be tolerated and will result in an automatic F in the course. Adaptations or remix or translations or other forms of transgressive engagement with assignments will be permitted according to individual guideline statements.
