**Film Debut at Newman Center: The Great Divide**

**Thursday August 6 | Newman Center for the Performing Arts**

*The Great Divide*, a feature length documentary film from the Emmy award winning team of Havey Productions, in association with Colorado Humanities, will illustrate the timeless influence of water in both connecting and dividing an arid state and region. From Ancient Puebloan cultures and the gold rush origins of Colorado water law to agriculture, dams, diversions and conservation; the film will reveal today’s critical need to cross "the great divide," replacing conflict with cooperation.
