

Collaborative Learning and Innovative Educational Models of Behavioral Health at the University of Denver (CLIMB@DU)

CLIMB Field Placements

Following is a list of agencies that meet the criteria for an **Integrated Behavioral Health** field placement. This means that the program meets the following criteria:

- Has a **team** of primary care and behavioral health clinicians
- Uses a **systematic approach** to provide patient-centered care
- Addresses behavioral health concerns in the context of a **primary care outpatient medical setting**.

******This is not an exhaustive list of placements sites.** Please use this list as a guide for the types of placements that are available. This list is always growing and will be updated as new partnerships are developed. If you have questions about this list or if a placement site not included on this list would qualify for a CLIMB placement, please contact Michael.Talamantes@du.edu .****

Please find these agencies in the GSSW database and work with the point of contact listed for the agency on all inquiries.

UNIVERSITY of
DENVER

GRADUATE SCHOOL OF SOCIAL WORK

While Integrated Behavioral Health (IBH) placements are the focus of the CLIMB stipend and will receive priority, other agencies may also be considered as acceptable placement sites. These placement sites are not specifically designated as IBH placements, but do have some components of this model. These may be placement sites that are in an **outpatient setting** (not primary care) and have **behavioral health providers working alongside medical team** (not a systematic team approach), and still utilize evidence-based practices for **behavioral health interventions** in these health settings.

******This is not an exhaustive list of placements sites.** Please use this list as a guide for the types of placements that are available. This list is always growing and will be updated as new partnerships are developed. If you have questions about this list or if a placement site not included on this list would qualify for a CLIMB placement, please contact Michael.Talamantes@du.edu. ****

Please find these agencies in the GSSW database and work with the point of contact listed for the agency on all inquiries.
