# FULBRIGHT

### Fulbright Student Program

If you are graduating soon and starting to think about potential opportunities post-graduation, the Fulbright Student Program may be a great opportunity for you! While applications are not due until October 2021, the application process is lengthy, and starting sooner is always better! Through the Fulbright Student Program, you can obtain funding for the [Open Study/Research Award](#), [English Teaching Assistant Award](#), [Fulbright-Fogarty Fellowship in Public Health Award](#), and the [Fulbright-National Geographic Storytelling Fellowship Award](#).

These awards can provide funding for a range of different opportunities, academic disciplines, and graduate school opportunities. We highly recommend that you research the Fulbright Student Programs and see if any of them might be a good fit for you. Fulbright's are prestigious awards and look great on resumes, along with providing excellent funding opportunities.
