Explain why you would like to participate in this opportunity to earn a dual Bachelors and Masters degree in political science (up to 300 words):

¹Political science faculty at DU will schedule on-campus interviews via this email address with students who meet qualifications to participate in this program. Students who do not promptly reply to emailed requests to schedule interviews will have their applications rejected.

² Because all requirements for the common curriculum, minor (or second major), 6 courses in PLSC, and INTZ 2501 must be completed within the first three years at DU and before arrival at Lund University, we do not recommend this dual degree program for students seeking to complete more than either a PLSC major and one minor OR the PLSC major and a second major.

Map out your plan to complete all common curriculum requirements, the 6 required PLSC courses, INTZ 2501, minor (or second major) requirements, and 135 credits during your first three years at DU:
