### **Boulder Canyon Health and Rehabilitation**

Boulder Canyon Health and Rehabilitation is a skilled nursing facility that provides short term rehabilitation, memory care, and long term care services. Interns will collaborate and coordinate with an interdisciplinary team on care for residents and be involved with assessing residents for psychosocial needs including depression and cognitive assessments, care conferences, and care plan development within short term rehabilitation, long term care, and memory care settings. Social work interns will adopt a holistic approach to be actively involved in developing plans of care that best address residents needs and promote positive well-being. Additionally, interns will gain experience in discharge planning and case management including coordinating community services and resources.

---

### **Sandstone Care LLC**

Sandstone Care serve teens, young adults, and their families overcome challenges with substance use, addiction, and mental health conditions. Interns will be exposed and integrated into all aspects of our processes, curriculum, interventions and experiential exercises, always under the direct supervision of clinical staff. Interns will be able to sit in on as well as co-facilitate treatment groups, individual sessions and family sessions. They will also attend multi-disciplinary team meetings to collaborate with our diverse treatment staff including our medical director, clinical director, registered dietician, family therapists and interventionists, primary clinicians from both the adolescent and young adult programs and community-based treatment provides.

This internship may be CLIMB-OWEP eligible

---

### **Littleton Public School- Social Emotional Behavioral Services**

Littleton Public School provides a range of resources and interventions to support student mental health. Interns will work in multiple schools and grade levels to support the social, emotional and behavior needs of students, and provide specialized support for school staff and families in the district like substance abuse evaluations, groups, classroom education, school engagement, truancy, mental health resource coordination and parent/community workshops.
