

Greetings from Northwest Denver and the newest OLLI Site at Regis University!

We are delighted to join OLLI at DU and proud to offer fifteen OLLI courses this Fall to OLLI members. About half of our Fall courses will be in person, and the remaining will be on the Zoom enterprise platform from the University of Denver. We are excited to showcase many outstanding facilitators in our courses this Fall, from a retired FBI Chief of Undercover Operations to a Licensed Professional Counselor providing training in Trauma Informed Care to mental health providers in the Ukraine.

Our Fall courses begin the week of September 13; the Fall Catalog will be available on August 1, and registration also begins on August 1. We look forward to seeing you in our courses.

Our in person courses will be offered at our Regis Thornton Campus – 500 East 84th Avenue, Suite B-12, Thornton, Colorado 80229. Our Thornton Campus is the home of our graduate degree programs in Licensed Marital and Family Counseling and Licensed Professional Counseling as well as our Nursing Simulation Laboratories.

On a personal note, I am particularly pleased to serve as the Regis Site Manager for OLLI. I began my career at Regis 31 years ago this July, as the Assistant Director of the University Without Walls. While at Regis, I have served as the Associate Dean of the Undergraduate Program in the College for Professional Studies and most recently, as the Regis Director for Jesuit Worldwide Learning. I have taught undergraduate courses in human communication at Regis since 1994.

Needless to say, I am thrilled that Regis' commitment to life long learning continues through our dedication to OLLI.

With enthusiasm for our year ahead,
Marie Friedemann, Ph. D.
Regis Site Manager
