

## DENVER CAMPUS INTERNSHIP SPOTLIGHT 7/14/22

Current students (Denver Campus Only) looking for their 2022-2023 concentration year internship - **the time is NOW to start contacting agencies.** Here are some options to consider...

Read more about these in the GSSW Internship Database. This is for Denver Campus students only who will begin their concentration field placement in fall quarter. If you need additional assistance with your internship search, please contact [field@du.edu](mailto:field@du.edu) to set up an appointment for field advising.

If you have already submitted a Field Confirmation Form for your 2022-2023 concentration year internship, congratulations, and please ignore this email.

---

### Children's Trauma Center

The Children's Trauma Center (CTC) provides comprehensive trauma treatment for children ages 3-19.

CTC has 1 opening for an intern interested in strengthening the parent/caretaker and child relationship, promoting whole health for each child and family member, collaborating with child connected community partners. The intern will be responsible for overseeing whole health therapeutic activities, whole health assessments, activities that promote social connection, outdoor therapeutic activities, client resource referrals, school advocacy and coordination, team teaching and presentations, and administrative duties.

**This internship offers a paid internship or is DU work study eligible.**

---

### Denver Family Institute

Denver Family Institute (DFI) is a private, nonprofit organization open to all and dedicated to providing quality marriage and family therapy training, consultation to community agencies, and therapy to individuals, couples, and families. DFI has 4 openings in two clinics that involve working with a wide range of clients in different settings ranging from a homeless shelter to a general practice clinic.

Interns are trained and supervised in clinical work with individuals, couples and families from a strength based, solution focused systems perspective. Interns will participate in intakes, admin. support, grant writing, and enhance clinical skills through the use of video and live supervision via one-way mirrors.
