Dear Denver Campus MSW Students,

Please know that all GSSW faculty and staff are concerned about you and your experience. As we have seen from your emails and social media, you have questions. We all do.

The deans at the University of Denver must take direction from the Chancellor and Provost in times of crisis. I am working with them to gain answers to your questions and address your concerns. This unprecedented situation is extraordinarily complicated, and requires careful consideration of each emerging issue across the campus.

Information will be provided to you as soon as it can be. As I requested in my email to you on 3/18/20, please check your DU email account regularly for emails from the offices of the Chancellor, Provost, and GSSW.

Beyond email, GSSW Academic Affairs is hosting virtual office hours for you during spring break and all of spring quarter. These will be every Tuesday and Thursday from 11:00am to 12:00pm MT at <https://udenver.zoom.us/j/444456637>

I also ask that you please continue to check the [GSSW Student Resource Portal COVID-19 Updates](#). We are adding resources for you daily. In particular, I hope that you are accessing the tele-mental health supports available to you during this time of uncertainty and high anxiety.

Thank you for your understanding and patience.

Be well,
Amanda
