Application for Leave of Absence for Graduate Students

- Complete Leave of Absence policies are available in the 2018-2019 Graduate Policies and Procedures: http://bulletin.du.edu/graduate/academic-requirements-policies-and-procedures/student-withdrawal-from-the-university/
If you are requesting a leave of absence for medical reasons, do not complete this form. Refer to the Medical Leave of Absence form and policy for additional information (also found under Student Withdrawal from the University as Medical Leave of Absence).
To identify which form you need, read both the medical and personal leave policies before completing an application.
If you are currently enrolled for the quarter during which you plan to begin your leave, you must formally withdraw from courses and are bound by the withdrawal deadlines for that quarter. Refer to the leave of absence document or the Office of the Registrar's web site (www.du.edu/registrar) for withdrawal information.
