November 9, 2020

Dear continuing Denver Campus Foundation Students;

It is hard to believe it is already week 9 of the fall quarter. As you know registration will be open for Denver Campus MSW students this week, on Wednesday, November 11, 2020.

There have been some questions about the process we are using for your registration.

Registration Instructions:

- We asked you to complete this [brief online survey](#) to select your cohort preferences and to start the registration process.
- If you have not already completed the survey, please do so now and have it done by Wednesday, November 11, 2020 at 11:59 pm.
- After the GSSW Registration Team has processed all of these responses, we will register you for your winter courses and will set up the cohorts.
- Once this process is complete, you will be notified.
- You will then be able to add/drop sections as long as open seats are available.
- We anticipate you will have this option by November 18, 2020.
- **REGISTRATION FOR FIELD:** we are still asking that you *register yourself for field for winter quarter if you are continuing in your field placement.*

On November 11, 2020 at your designated registration time or after, please go into PioneerWeb and register for 3 credits of SOWK 4950 and choose the same section with your liaison's name that shows up on your fall schedule.

To be clear: the GSSW Registrar team will be doing the actual course registration and then you will be notified when this is done and if we need to make changes after November 18, there will be the chance for you to let us know. **You will be registering yourself for your field credits.**

Thank you for all the flexibility and courage you have demonstrated during this quarter. We encourage you to reach out to your professors if you need additional support or guidance.

We are here to support you and to answer your questions. Please join me and Associate Dean for Academic Affairs Leslie Hasche at our weekly virtual office hours on Mondays and Thursdays, 11:00 am - 12:00 noon at this [link](#) (passcode: SW2020). You can also connect with other GSSW Student Services Team members per the information posted on the [Contact Us](#) tab of the GSSW Student Resource Portal.

Wishing you the best for a healthy and meaningful experience as you wrap up this quarter.

Take care,

Kate
