---

November 9, 2020

Dear Denver Campus Concentration Students:

It is hard to believe it is already week 9 of the fall quarter. As you know registration will be open for Denver Campus MSW students this week, on Wednesday, November 11, 2020.

Many of you requested more information on the new special topics courses that faculty created for the winter quarter. Attached you will find some greater detail and the contact information for each course instructor.

Please remember when you register to include your SOWK 4970 Concentration Field registration and use the same section with your liaison's name that shows up on your fall schedule.

We know it has been an extraordinarily long and stressful quarter and encourage you to reach out to your professors if you need additional support or guidance.

We are here to support you and to answer your questions. Please join me and Associate Dean for Academic Affairs Leslie Hasche at our weekly virtual office hours on Mondays and Thursdays, 11:00 am - 12:00 noon at this [link](#) (passcode: SW2020). You can also connect with other GSSW Student Services Team members per the information posted on the [Contact Us](#) tab of the GSSW Student Resource Portal.

Wishing you the best for a healthy and meaningful experience as you wrap up this quarter.

Take care,

*Kate*
