Subject: [col-sw-stu-MSW-foundation] Foundation Cohort Registration Updates

Date: Tuesday, November 24, 2020 12:23:33 PM

Dear Denver Campus Foundation Students,

Thank you for your patience as we managed the cohort registration process by using your survey responses. As of today, we have enrolled all students for on-campus cohort classes per the survey.

From this point forward, you can see your course schedule, as well as add or drop class sections as you normally would within the Web Registration Portal, as described in the [GSSW Registration Toolkit](#). If you do alter your on-campus classes, please honor the cohort model by sticking to one cohort to promote safety for the in-person classes.

Please also remember to register yourself for SOWK 4950: Foundation Field Internship with your assigned liaison, if you will be engaging in your field internship during Winter Quarter.

We have also added these online sections for the foundation courses, in case you want a fully online course. As described in our [recent email](#), the opportunity to access campus for in-person classes will depend on the public health guidance, as connected to the [DU Alert Levels](#).

CRN	Course #	Sec.	Course Title	Cr.	Time	Days	Instructor
5792	SOWK 4006	105	Human Behavior & the Social Environment	3	4:20 - 5:50 PM	Thurs	Rachel Speer

If you have advising or registration questions, please contact your faculty advisor or join the GSSW Academic Affairs or GSSW Registrar team during their virtual office hours, as described

on the [Contact Us](#) page within the GSSW Student Resource Portal.

Sincerely,

Adela Smith, Registrar, GSSW

Kate Ross, Denver Campus MSW Program Director

Leslie Hasche, Associate Dean for Academic Affairs
