What would
Albert
Einstein
say to
students if
he were
here today?

“Bear in mind that the wonderful things you learn in your schools are the work of many generations, produced by enthusiastic effort and infinite labor in every country of the world. All this is put into your hands as your inheritance in order that you may receive it, honor it, add to it, and one day faithfully hand it to your children.”

—Albert Einstein, 1934
