University of Denver

DENVER, CO

University of Denver says, "The University of Denver's Common Curriculum provides students with a well-rounded education, creates context for major and minor course of study and introduces students to new areas of interest. The Common Curriculum is grounded in a breadth of experiences and ways of inquiry congruent with DU's goal of providing an outstanding educational experience that empowers students to integrate and apply knowledge from across the disciplines and imagine new possibilities for themselves, their communities and the world."
