Stay tuned for additional information on how to pick up a complimentary copy of the book and programming schedule.

If you have questions about One Book, One College 2016, please contact:

Email: Arthur.Jones@du.edu.

More information about the book below:

Find Me Unafraid tells the uncommon love story between two uncommon people whose collaboration sparked a successful movement to transform the lives of vulnerable girls and the urban poor. This is the story of two young people from completely different worlds: Kennedy Odede from Kibera, the largest slum in Africa, and Jessica Posner from Denver, Colorado. Kennedy foraged for food, lived on the street, and taught himself to read with old newspapers. When an American volunteer gave him the work of Mandela, Garvey, and King, teenaged Kennedy decided he was going to change his life and his community.

Ultimately, this is a love story about a fight against poverty and hopelessness, the transformation made possible by a true love, and the power of young people to have a deep impact on the world.
