#### Proposal Deadline Extended: 2016 Diversity Summit on Inclusive Excellence

Jan. 21-22, 2016

The 2016 Diversity Summit will explore how each of us can individually contribute to creating an inclusive campus and in the process change our community. The 15th annual Diversity Summit chose a theme, "Beyond Good Intentions: Confronting My Bias to Change Our Community," that is sure to get participants thinking-and acting-in ways that when combined with others gives DU the groundswell it needs to make lasting change. As stated on the website, the 10/19 deadline was a priority only; not an absolute cut off. We will accept and review submissions until all workshop slots are filled. YOU ALL are a tremendous resource on campus, please consider sharing your knowledge and experiences with the campus! Details available via the workshops [link](#).
