Outlining Split Funding for NSM

1. Consider adapting application form by specifically asking if remainder of funding will be covered by advisor (checkbox?)

 - a. Ask Paula
 - b. Talk with NSM advisors

GSG Update

1. CAHSS college dean has approached Gabrielle about splitting GSFF in order to encourage college identity
 - a. GSG noted that sub-committees have existed underneath GSFF-like organizations
 - b. Concern: funding could be unevenly distributed in a split set up
 - c. Do we have interest in forming separate organizations?
 - i. It might be difficult to find people to lead those committees
 - ii. Perhaps, in conversation with CAHSS dean, highlight that in practice funding takes precedent over representing concerns
 - iii. Suggest that CAHSS form an engagement committee within GSG
