COURSE DESCRIPTION
Whether you are looking for a better way to communicate with a partner, family member or people in general this class will deepen your level of understanding of the nine Enneagram TYPES in relationships. The nine TYPES might as well be from nine different planets. Each TYPE has a different reality, a different value system, brings something different to life and wants something different out of life. How do we make that work? This class is designed for students who have a basic understanding of the Enneagram and their own Enneagram TYPE.
