Syllabus  
Spring 2019

See the Trees ... and the Forest
Cindy DeMoss  pcdemoss@verizon.net  (720-290-2131)
Linda Green  lh2001g@aol.com  (303-789-4222)

The “wood wide web.”

Week 2 (April 10):  How should forests be managed to maintain healthy trees and  
minimize damage from forest fires?  
Speaker: Jill Welle, Douglas County Fire Mitigation Specialist

Week 3 (April 17):  What is forest therapy? Is it beneficial?  
Some research; some programs to preserve our natural places.

Week 4 (April 24):  Planting and caring for trees in your yard; more tree discoveries.  
Speaker: Nancy Ditman, Douglas County Master Gardener
