Subject Promotion and Tenure Guidelines/Policies

Dear Deans,

We (our Faculty Senate and AAUP membership) would like to make the various Divisional, College, and School guidelines/policies for promotion and tenure available to faculty on the Senate and AAUP chapter websites. There's been some discussion of this before, but so far no result. Faculty often ask how tenure and promotion are approached in the various units, so posting all of the policies would go a long way toward answering this question. It might also help to demystify the process at DU generally, which can't be a bad thing. The University APT and AHSS guidelines have been publicly posted for some time, so there's precedent. We have categories for each Division/College/School already established on the AAUP portfolio page (<https://portfolio.du.edu/pc/port2?page=6&uid=15048> ), and they await filling in. Many thanks for your help with this project. Cheers,

Dean
