Subject [Du-facultylist] New Portfolio Community Site

Dear All:

I'd like to call your attention to a new DU Portfolio Community site called "AAUP at DU". It is currently featured on the Portfolio Community homepage and is also accessible at <http://portfolio.du.edu/aaup>.

The site has been established in the interest of supporting shared governance and institutional standards. The site contains the following pages:

AAUP Resources: policy and "best practices" documents and reports from the national AAUP covering tenure, collegiality, diversity, electronic communication, teaching evaluation, and much more.

News, Views, and Links: articles, reports, manifestos, and commentaries on academic freedom and governance from across the spectrum, plus links to relevant websites. This page is updated frequently.

Cases and Issues: background documents on current high-profile academic freedom cases and issues pertaining to intellectual diversity on campus, adjunct faculty, gender equity, tenure, etc. Also updated frequently.

DU Chapter Activity: chapter rationale, bylaws, activities, and policy proposals.

DU Policies: university-wide and unit-level documents covering tenure and promotion and employment policies.

Members Only: meeting minutes, policy drafts, and other news for AAUP members. If you're interested in joining the campus AAUP chapter, please let me know.

That's it. All best,
Dean
