Dear Joe, Neil—

Our AAUP chapter is increasingly concerned about the situation on campus concerning the relationship between Sodexo and our food service workers. Recall that last February we sent you a letter expressing our concerns (see attached). Having not received a response we'd like to be updated about what's happening. We're hopeful of receiving some assurances that the concerns expressed in our February letter are being addressed. Our AAUP leadership is available to meet with you within the next three weeks to discuss the situation.

Many thanks,

Dean Saitta
