Dear All--

At yesterday's "Annual Legal and Policy Update" meeting I said something that I've been wanting to say for a long time about DU's ODEO discrimination complaint process. Interestingly (and somewhat surprisingly), what I said resonated with a couple other attendees who are highly-placed within DU's Legal/Policy management structure. These folks encouraged me to submit what I said in writing to Amy King, the interim director of Human Resources. The memo is attached.

On the other workplace justice front, there still has been no response from the DU Administration to our appeal (sent on November 22) for an update on the Sodexo worker situation and our request for a meeting.

Happy Holidays,
dean
