RE: Your November 4, 2011 letter

Dear Mr. Kissel:

Chancellor Robert Coombe has asked me to respond to your November 4, 2011 letter.

The University of Denver takes all matters regarding sexual discrimination and harassment very seriously; just as it does its commitment to academic freedom and freedom of speech. It carefully investigated the complaints it received concerning Professor Arthur Gilbert and reached its determination in this matter following its established disciplinary and grievance process.

Pursuant to DU's grievance process as it applies to faculty members, the decision of Provost Gregg Kvistad regarding Professor Arthur Gilbert is final. The University and the Chancellor therefore considers this matter to be resolved.

Sincerely,

A handwritten signature in cursive script that reads "Claire Brownell".

Claire Brownell
Assistant to the Chancellor
Assistant Secretary of the Board of Trustees
