FACILITATOR SELF-EVALUATION QUESTIONS

This form is for your use only. It is intended to help you evaluate your success or difficulty in your recent class. This will help you with future classes.

1. What worked the best? (Continue doing this)
2. What will I try to avoid next time?
3. What surprised me?
4. What important questions did the learners ask?
5. What did I ask the learners that worked well or didn’t work?
6. What questions couldn’t they answer and why not?
7. What information that I shared did they get muddled or confused about? Why? How can I improve understanding?
8. Was there (too much, too little, just the right amount) of material for me to get through?
9. Did I feel rushed at the end?
10. What did I learn from this class about my own grasp of the subject?
11. What did I learn about my facilitating/lecturing technique from this class?
12. Were there any particular successes or difficulties that I didn’t anticipate?
13. What should I keep?
14. What should I change, and how?
