International Studies + PPOL Internship Newsletter

February 22, 2018

Interested in helping Colorado's young adults engage in sustainable development?

The Center for Teaching International Relations is looking for undergraduates to help judge the upcoming World Affairs Challenge event on March 3rd (Middle School Competition) and 17th (High School)!

The World Affairs Challenge, or WAC, is a year-long academic program that builds the capacity of Middle and High School students to think and act globally. The centerpiece of the WAC is its annual spring competition at Korbel. 2018 competition will task students with formulating a proposal to link energy, transportation, and communication between rural and urban settings.

Judges evaluate student's research and solutions on global questions and concerns. Coffee, breakfast, and lunch are provided. Judges will have the opportunity to spend the day interacting with fellow community leaders and volunteers, local NGOs, and our future leaders and problem solvers!

Sign up or find more details at <http://www.worldaffairschallenge.org/eventdetails2018/>

Attention Undergrads:

Do you have an international internship?

You may be eligible to receive up to \$2500 for your internship costs!

Additional scholarships are available for students holding unpaid, domestic internships.

Lunch Discussions with U.S. Department of State International Visitors, Faculty, and World Denver

Friday, February 23, 2018

12pm—2pm

Sie Complex, Maglione Hall

Korbel and the US Dept. of State are proud to host over two dozen leading academics from around the world. We will host a lunch and discussion with the visitors, World Denver Members, faculty and you. Table topics will be arranged thematically on a range of foreign policy issues and you will have an opportunity to note your preferred topic preference after signing up. You will be paired in groups of 2-3 students and a faculty member and assigned to a specific table. The role of students will be active – students are expected to play a lead role in facilitating dialogue at their table.

OCPD will hold a pre-meeting in advance of the lunch to answer questions and to help in designing questions and topics. It is required that you either meet before with faculty or attend this meeting in order to prepare. Details are forthcoming and OCPD will reach out by Feb 12th with more details.

Michael J. Fox Foundation for Parkinson's Research

Deadline: March 5, 2018

The Michael J. Fox Foundation for Parkinson's Research (MJFF) was founded in 2000 with a single defined objective: accelerating meaningful therapeutic advances and, ultimately, a cure for Parkinson's disease (PD). The Foundation provides a distinctive combination of scientific, business, and media assets to this core focus. This triple-pronged, singularly-defined strategy towards disease research enables a dynamic, motivated, and young organization.

Summer interns will monitor legislative efforts, follow-up with congressional offices concerning policy, and compile regular reports detailing legislative efforts.
