Environment and Consultation in the Brazilian Democratic Developmental State

Dr. Kathryn Hochstetler

Kathryn Hochstetler is CIGI Chair of Governance in the Americas in the Balsillie School of International Affairs and Professor of Political Science at the University of Waterloo. Previously, she taught in the Political Science departments of the University of New Mexico and Colorado State University. She has also held research positions at the Centre for Brazilian Studies at Oxford University and the Instituto de Desarrollo Economico y Social (Institute for Economic and Social Development) in Buenos Aires. Her PhD is from the University of Minnesota, in Political Science.

Dr. Hochstetler has published widely on topics such as civil society and social movements, environmental politics, and presidentialism, with an empirical focus on South America or United Nations conferences.
