Temporary Suspension of Complimentary Coffee Service

As of today, February 5, Beans’ complimentary coffee service remains suspended due to the adverse weather conditions from this week’s snow storm. Snow and ice have created safety concerns for transporting the rolling carts and replacement coffee urns. We are working with Beans on the resumption of this complimentary service when it is safe for them to do so. In the meantime, the locations closest to Cherrington Hall for purchasing coffee are Beans in the Joy Burns building and the Anderson Academic Commons’ Front Porch coffee shop. Here is a comprehensive list of coffee places across the DU campus. We will send out another notice when the complimentary service can resume. Thank you for your patience and understanding.
