Testing & exam results must be finalized for INTS review by Wednesday, April 24, 2018 (week 5)

*Registration deadline for Arabic, Hebrew or Japanese: Friday, April 12, 2018 (week 3)

IMPORTANT NOTES:

- The [Center for World Cultures and Languages](#) (CWLC) oversees the undergraduate foreign language placement exam process. Placement exams are available for the following languages only: Arabic, Chinese, French, German, Hebrew, Italian, Japanese, Latin, Russian and Spanish.
- Online exams are available year-round for Chinese, French, German, Italian, Latin, Russian and Spanish. Chinese, Latin and Russian exams are graded manually, however, and are reviewed at the convenience of faculty. Exams for all other languages (Arabic, Hebrew and Japanese) must be arranged with the designated faculty member directly, with assistance from the CWLC.
- INTS majors that speak a foreign language not offered as a DU placement exam or as a language of study can potentially arrange an alternative testing option with the Director of the Center for World Languages and Cultures. Students who choose the alternative testing option are responsible for any fees associated with the alternative testing option.
- Regardless of which language placement exam is taken, students must adhere to the **internal INTS deadlines** outlined above *if the placement exam is being used to satisfy the foreign language proficiency requirement for the INTS major*. Moreover, exam results **must** be submitted to the INTS department for review and major verification.
- INTS majors are permitted to take the language placement only once per quarter per the schedule outlined above. For students that test using an online exam, only the first exam taken by the aforementioned deadline in any given quarter is eligible to be used to satisfy the INTS foreign language requirement.
- Please be aware that while tests can be administered during Fall, Winter, and Spring Quarters, students should **NOT** expect tests to be administered/graded by faculty during Summer Quarter or during academic breaks.

For more information regarding [undergraduate language testing](#), please contact the [Center for World Languages and Cultures](#).
