About the Osher Lifelong Learning Institute

The Bernard Osher Foundation makes grants and endowment gifts to colleges, universities, and other non-profit organizations in four program areas: post-secondary scholarships, lifelong learning institutes for seasoned adults (OLLI), select integrative medicine programs, and arts and educational organizations.

In the fall of 2000, the Foundation began to consider programs targeted toward more mature students not necessarily well served by standard continuing education curricula. Courses often attract students of all ages eager to accumulate units to complete degrees or to acquire specific job skills. By contrast, the interest of many older adults, especially those who have retired, is in learning for the joy of learning – without examinations or grades – and keeping in touch with a larger world.

At present, the Foundation supports over 120 lifelong learning programs on university and college campuses across the country, with at least one grantee in each of the 50 states and the District of Columbia. The Foundation also supports a National Resource Center for Osher Institutes which is located at Northwestern University, in the Chicago, Illinois area.

WELCOME TO OLLI MEMBERS!

This handbook is to provide you with all of the basic information you need as an OLLI at DU member. As you enjoy your membership you will become much more acquainted with the organization and hopefully more engaged in its growth and health!

OLLI PURPOSE AND BACKGROUND

OLLI is a lifelong learning program of University College at the University of Denver. The original program, VIVA! was created in 1996 for University College as an outreach program of the University of Denver. In November 2006 the Bernard Osher Foundation accepted VIVA! as a part of the nationwide Osher Lifelong Learning Institute and awarded them a grant. A requirement of the grant was to change the name to OLLI (Osher Lifelong Learning Institute). After a six-month transition period the name change was final September 2007. A second site, OLLI West, began operation in September 2007. A third site, OLLI South, began in 2009. The fourth OLLI site is a 2010 addition to the Central OLLI program, increasing the classrooms available. In 2017 the OLLI-on-Campus site was launched for those individuals who prefer an on-campus experience. In 2018 the OLLI East site was launched expanding the reach of OLLI to the Aurora suburban area. And in 2019 the OLLI Boulder site is planned to be launched as the desire for Life Long Learning continues throughout the expanded Denver metro area. The full OLLI program is funded by membership fees, supplemented with funds from the Osher Foundation and in-kind support from the University of Denver.

OLLI is a membership program, providing an opportunity for members to participate in all aspects of the program and its delivery. Member input drives decisions about the learning experiences, including their design, content, methods and format. An array of programs, classes, seminars and special learning opportunities are offered by OLLI throughout the year. OLLI is committed to bringing its members together in a relaxed, non-competitive atmosphere to discover new things about the world and themselves.

WHO IS AN OLLI MEMBER?

OLLI members are 50+ years and are considered a member if they take at least one class during any of the three (fall, winter, spring) terms. As an OLLI member, they are
entitled to all OLLI membership benefits throughout the academic year – July 1 – June 30.

**HOW DOES OLLI WORK?**

Each term, OLLI members register for classes that appeal to their intellectual curiosities. The majority of OLLI classes are peer-led by “facilitators” who are volunteer OLLI members. Class sessions are held on week days in the morning (9:30-11:30 am) and afternoons (1:00-3:00 pm) for two hours at each of the OLLI sites (Central, South, West, On-Campus, East and Boulder). Most academic classes are 8-weeks, although some may be shorter in duration.

In addition, OLLI sites offer Extracurricular classes. These classes include are a complement to the academic focus. Additionally, we often have classes focused on the health and well-being of our members.

Each site encourages their members to consider facilitating an OLLI course. Facilitator training is provided, and other seasoned OLLI facilitators are ready to help mentor new ones. Without our volunteer facilitators, OLLI would not exist.

OLLI members may take classes at any of the sites for one membership fee of $130 per term (some classes may require extra fees for materials, etc.). Once registered for classes, new OLLI members receive an OLLI Membership Card which is used to access many benefits.

**FRIENDSHIP**

*Who said you can’t make new friends later in life?*

OLLI members form strong bonds around mutual interests. Social events, such as picnics, pot luck luncheons, and plays, occur throughout the year giving members the opportunities to become further acquainted with their classmates.

**OLLI at DU – A VOLUNTEER ORGANIZATION**

OLLI at DU is a Volunteer Organization. OLLI members and volunteer instructors are the heartbeat of the institute and are the reason it will thrive while keeping the fees low.

- Volunteering is a direct way for members to have input into the decisions and direction of OLLI.
Volunteering is a rewarding and stimulating experience, and another way to meet new people.

There are many ways to become involved in any of the OLLI at DU sites. Your involvement supports the continuation of OLLI at DU and its growth and health.

Some of the Volunteer opportunities include:

OLLI MEMBERSHIP BENEFIT INFORMATION

OLLI Membership includes the following benefits:

- Participation in as many classes as desired at any of the OLLI sites, space permitting.
  - Due to our $130 ‘fixed fee’ term pricing, OLLI at DU utilizes a lottery type system to register members into the classes they desire each term. This system recommends early registration before a ‘draw’ date (noted on the websites). On this date, the classes that are overfilled are reviewed and members removed from the classes as needed. It is the intent of the staff to ensure as many members are able to attend as many classes as possible. In the instance of a class being overfilled, staff strives to ensure no member is taken out of all of their registered classes.
  - After the date of ‘First Draw’, members are unable to register for classes that are filled through the online system. Those registering via the manual system, it is wise to check the website to see which classes are still available. Any manual registration after ‘First Draw’ for a class that is full will be returned.

- Opportunity to participate in Extracurricular classes and activities (some additional per class fee may apply).

- Special member pricing for
  - The Summer Seminars of OLLI
  - Annual International Symposium
  - And other offerings throughout the year
