

FAST, QUALITY SERVICE

With turnaround times of less than two weeks, your project will be complete in no time!

FLEXIBILITY

If your study requires IRB or other protective services, let me know! Services are also flexible if your study has specified funding requirements.

PERSONAL CONTACT

Expect prompt returns on emails and phone calls. Transcription services come from a real person who has been in your shoes!

Qualitative Interview Transcription Services

- Transcription Services provided at a rate of \$20.00 per hour. An hour of audio usually takes 5 hours to be transcribed and proofed.
- Typical turn around of less than two weeks for files submitted on a rolling basis.
- Quality, personal service from an individual with over 5 years experience.
- Flexible services based on study needs such as rates, returns, etc. if your university or study requires variations.

Typically, the format of the transcription is as follows:

I: text text text

P: text text text

Words or phrases that are unclear are bracketed.

Varations are available if discussed upfront.

Files are sent via email, unless otherwise requested.

About your transcriber:

Ashley received her Master's in Human Development and Family Sciences in 2015 from Iowa State University. Her graduate assistantship and thesis both required transcription of various interviews. Since then, she has been transcribing for various universities and individuals across the United States. In 2017, an LLC status was established to offer these services more widespread.
